Where the employee uses paid sick leave as provided for in this Policy to cover absences due to pregnancy, miscarriage, childbirth and recovery, such leave will run concurrently with any other state and federal statutory leaves for which the employee may be eligible.

Procedures: If the need for paid sick leave is foreseeable, such as for preventable care or for pre-scheduled appointments and medical procedures, the employee shall provide reasonable advance notification at least one full day prior to the absence. If the need for paid sick leave is unforeseeable, the employee shall provide notice of the need for the leave as soon as practicable. The initial notification of the employee's need for paid sick leave may be made by oral or written request. The District shall not require an employee to search for or find a replacement worker to cover the days of anticipated absence, as a condition of using paid sick days under this policy.

For nonexempt employees (i.e., those subject to overtime provisions), sick leave will be calculated based on the regular rate of pay for the workweek in which the employee uses sick leave, regardless of whether or not the employee actually works overtime in that workweek. When an employee who is compensated exclusively by periodic stipend uses his or her accrued paid sick leave, the employee's total stipend will not be reduced as a result of the absences.

The District shall provide payment for sick leave taken by an employee under this policy no later than the payday for the next regular payroll period after the sick leave was taken.
